

HOT SHOT TRAILER

Hot shot semi trailers are to transport products which are long or oddly proportioned. However, they are limited to lower cargo weight. The open nature of the trailer allows for loading / unloading from the rear, sides or top; allowing forklifts and cranes to create an even lift on the freight. The low profile nature of the deck allows for freight up to 10' high to be legally transported.

RGN SEMI TRAILER DIMENSIONS		RGN TYPICAL CARGO MAXIMUMS	
Length	40'	Cargo Width	102"
Width	102"	Cargo Height	120" - 131"
Height	36" - 42"	Cargo Weight	15,000 lbs
