# SHIPPING THE GOODS

Creative visionary and businessman Chad Patton heads Stream Logistics, the Scottsdale-based transportation brokerage firm that's been growing exponentially—thanks to Patton—since its inception in 2012. When he's not getting down to business, this self-described fitness fanatic can be found pumping iron at his favorite gyms, hitting the green at Whisper Rock Golf Club (32000 N. Old Bridge Road, Scottsdale, 480.575.8700, whisperrockgolf.com) and otherwise enjoying these top picks around the Valley.

NOW IN & AROUND SCOTTSDALE

**PERK UP** ↑

I love the selection of organic juices at the **Kaleidoscope Juice** (7119 E. 1st Ave., Scottsdale, 480.980.8677, kaleidoscopejuice.com) downstairs from my office.

**WORK OUT** ↑ I spend most of my free time with my trainer at **Method Athlete** (15444 N. 76th St., Ste. 115, Scottsdale, 480.217.5038, method-athlete.com) or the gym at **Optima Sonoran Village** (6895 E. Camelback Road, Scottsdale, 480.990.7400, optimasonoranvillage.com).

**HAVE A DRINK** ↑ My favorite local spot for happy hour is **Sumo Maya** (650 N. Scottsdale Rd., Scottsdale, 480.397.9520, sumomaya.com). It has great energy and is a fantastic spot to have business meetings and socialize with friends.

**SHOP AT HOME** ← A personal stylist at **J.Hilburn** (jhilburn.com) for all of my work attire—there's nothing better than putting on a brand new custom shirt or tailored pants that fit you perfectly— and **Trunk Club** (trunkclub.com) for my personal and casual wardrobe.

FRESH PICKS

## Best Buds

Known for her irreverent choices and tongue-in-cheek touches, Miuccia Prada tends to zig where other designers zag. In 2011, she sent models down the catwalk in banana prints complete with Dr. Seuss-like fur stoles. And who can forget those bejeweled tube socks from her 2014 collection? This fall, **Prada** girls go prim: Think powdery pastels, empire waists, opera gloves and floral brooches. Yes, brooches. Only these particular pins aren't intended for granny. Inspired by Bakelite from the '40s, these oversize pin-ons have a whole bouquet of intrigue, with saturated colors and glittering diamanté detail. But unlike the versions of days gone by, they're not an accessory to the look; they are the look. We're calling it now: Brooches are back. —Jacqueline Z. Grossnickle
